REQUEST FOR CERTIFICATE OF CORRECTION
OFFICE MISTAKE UNDER 37 CFR 1.322

Attention Certificate of Corrections Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Honorable Sir:

The above-identified patentee hereby request issuance of a certificate of correction of the subject patent due to a mistake by the U.S. Patent and Trademark Office (35 U.S.C. §254). The mistakes likely occurred during the printing and/or scanning of the patent drawings during electronic filing or during preparation for the publication of the issued patent.

The subject matter for correction is in regards to the Figures 1-4 and 6. Several mistakes have been made to the representation of several lines in Figure 1-4 and 6. Specifically, Figures 1, 2, 4 and 6 are missing lines and Figure 5 has a partially dashed line that should be a solid line. Starting on page 2, these mistakes are encircled in RED. Five (5) pages of Form PTO/SB/44 accompany this request with copies of the originally transmitted drawings, prior to any mistake by the U.S. Patent and Trademark Office (35 U.S.C. §254) in printing the patent and/or scanning the drawings for the patent.

It is courteously requested that this certificate of correction, detailed in the above section, shown on the accompanying five (5) pages of Form PTO/SB/44, and occurring as a result of an Office mistake in printing and/or scanning the drawings for the patent, be granted.

Respectfully submitted,

C. Richard Lohrman, Esq.
